About the Author/Presenter:

Brad Gaskins - Registered Architect in Indiana, California and Pennsylvania

Principal and COO of The McIntosh Group

Brad is a partner at The McIntosh Group and a leading expert on accessibility. He has approximately 30 years of experience practicing architecture. With expertise in the Americans with Disabilities Act and national building codes, Brad brings a unique and valuable perspective to The McIntosh Group's practice and clients. Based on his deep love and understanding of codes, Brad has been accused of sleeping with a code book under his pillow. Brad is a California Certified Accessibility Professional (CAsp), ICC Certified Accessibility Inspector and a past Certified Building Official. Brad also serves on the Oklahoma Board of Licensed Architects and the National Council of Architectural Registration Boards. Helping people understand the real reasons behind compliance requirements and meeting them in a painless, efficient way drives his work.
